

## RESULTS OF SUN IN FOURTH HOUSE (VARUNA- AADITYA)

Dear friends,

Hearty welcome to “planetsandyou.in” astrology website. The present topic is Sun in fourth house and its impact on the individuals who have such a placement of Sun. I would like to inform you, inter alia, about a lesser known concept of Sun in fourth house of natal horoscope or in the sign of “Cancer” which is the fourth sign of natural Zodiac. I learnt this topic from “Jaimini Upadesa Sutram” of Sri Sanjay Rath, a renowned astrologer from the school of Sri Achyutananda dasa tradition of Orissa and a great teacher of Vedic or Indian astrology.

Sun has 12 distinct forms of manifestation called “Dwadasa Adityas”. These Adityas are twelve sons of Rishi Kashyapa and his wife Aditi, Hence they are called Adityas. When Sun is in fourth house of a natal horoscope of an individual or in the sign of “Cancer”, i.e. the fourth house of natural Zodiac, that form of manifestation is called “Varuna”.

Varuna is the lord of all water bodies. He is depicted as wearing golden armour and holding a noose, which is a coiled snake, that he uses to drag souls into the cages of clay( human body). Cancer is the sign of creation and his power and authority lies in this sign. This form of Surya has power to punish and bless. Varuna – Aaditya controls all social and personal laws. He knows every secret hidden in the hearts of all individuals.

**Here one thing is to be noted. Only for “ Mesha lagna” the houses of personal chart and natural zodiac match. For all other lagnas, there will be mismatch. In such cases, the manifestation of Sun in the personal chart applies for his self and the manifestation of Sun as per natural zodiac is his public image, i.e. as seen by others.**

Some of the greatest believers of theory of karma and rebirth and in the esoteric are born with Sun in fourth house or in the sign of Cancer which is the fourth house of natural zodiac. Two prominent examples are famous astrologers Alan Leo ( who has Sun in Cancer) and Dr.B.V.Raman, who also has Sun in Cancer. These two great astrologers, having studied horoscopes of thousands of persons gained the knowledge of knowing what was there in the hearts of the people whose charts they had studied. They understood what caused these individuals to be born and drawn into the cage of clay.

Now let us look at some of the results attributed in classical Indian Astrological texts, to Sun in the fourth house of natal charts.

**Brihajjataka** : “*Sasigrihagate budbudakshaha*” ( If Sun is in Cancer, the native will develop cataract in his/her eyes).

**Bhrigu sutram**: “*Heenangaha, ahankaaree, jana virodhee, ushna dehee, manah peedavaan,*

*Dwitrimsadvarshe sarva karmaanukulavaan, bahu pratishta siddhi, sattapada vijnana sourya sampannaha*

*Bhaavadhipe balayute, swakshetra trikona Kendra lakshanaapekshaya aandolikapraptihi*

*Paapayute paapaveekshanavasaat dushta sthane durvaahansiddhi, kshetraheenaha paragirha eva vaasah”*

If Sun is in the fourth house, the native will have defective limbs, proud, opposed to public and will have hot constitution. In the 32<sup>nd</sup> year, he will get favourable situations, will become learned, respected and successful and will attain good position. If the lord of the fourth house is strong by being in own house, in exaltation, in a Kendra or trikona, he will acquire good conveyances. If the lord of the fourth is with or aspected by malefics, he will acquire vehicles which cause troubles. He will not have own house and will stay in other's houses.

**Kalyana Varma( Saaraavali)**: “*Vaahana bandhu viheenah, peedita hridayaschaturdhake surye*

*Pitru griha dhana naasakaro bhavati narah kunrupa sevi cha”*

(A native with Sun in fourth house will be devoid of pleasure of conveyances, will not have relatives or good relations, will have heart troubles, will become destroyer of ancestral property and will be in the service of bad people.)

**Jaataka Parijaata( Vaidyanatha Deeskhit)**: “*Hirdrogee dhan dhaanya buddhi henah krurah sukhaste ravou”* ( The native with Sun in fourth house will have heart problems, lacks wealth, will be mindless and violent)

**Dr.B.V.Raman**: Mental worry, defective heart, success in foreign countries, hatred of relations, keen minded, good reputation, success after middle age,

quarrelsome, weak constitution, unhappy, squanders parental property, philosophical.

Sun in fourth is not a welcome feature causing troubles to eyes, heart , loss or absence of relations and vehicles unless otherwise the lord of the fourth house is strong and has benefic association/aspects.
